School Starts With The Principal

Principal Marie A Bagby

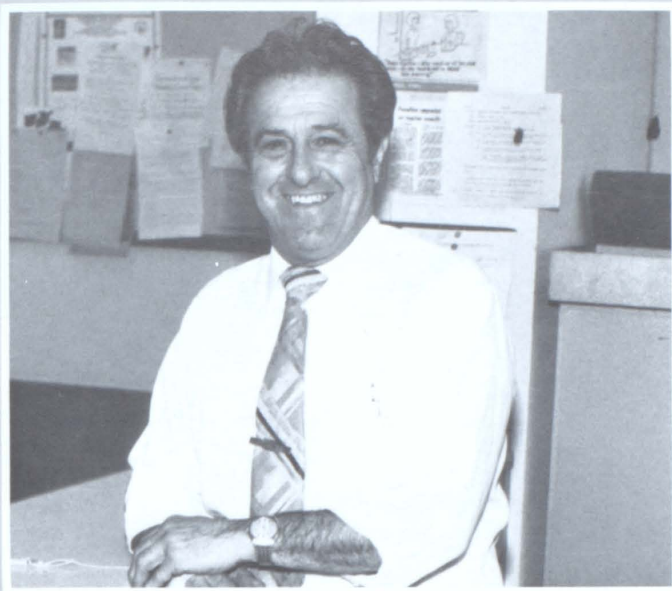

To The Class Of 1984

My very best wishes to all of you as you begin your journey into the future. Remember always to be tolerant, courageous, honest, loving and forgiving. These characteristics will pay dividends to you the investor. Continue to improve your talents! In the words of Henry David Thoreau Be not simply good, be good for something"
CONGRATULATIONS!

Marie A. Bagby

Vice Principals, The Efficiency Experts

As a school year unfolds, a proportional rise occurs in the complexity and variety of administrative responsibilities. Shouldering the additional burden and assuming an increasing role in the school administration are the vice-principals. Each one supervises a certain phase of the work, thus dividing the tremendous task and assuring more efficient administration in all areas. The V.P.s are an essential aid to the principal, assisting her with her many duties as well as fulfilling their own jobs in the most efficient way possible.

The Essential Organizers

The secretaries in the main office and guidance office have jobs that only skilled organizers can handle.

Their jobs include doing all the correspondence, school records, clerical duties, and of course answering the numerous phone calls that the school receives everyday.

To assist each student to understand himself and plan for his future are the goals of the guidance department. Besides scheduling courses for graduation requirements, students see counselors for help with personal social, educational, and vocational matters. Scholarship competitions, summer programs, and college acceptance in pre-medicine or pre-dental financial assistance program, are all areas the guidance department exposes our students to.

Computer related occupations have become prominent in the job field. In addition to the regular math courses offered at Barringer, students are now able to elect courses that involve the understanding and knowledge of computer use. Included in the Math curriculum are courses for individuals who choose to enter college, and students who need basic math skill in preparation for employment. Chairman Vincent Guarino

Along with the usual courses the English department offers the student the opportunity to involve himself in a variety of learning experiences. The school Newspaper Acropolis, the Dramatic production "Prisoner of Second Avenue" presented in April, and the newly revived Literary Magazine gives the student a greater perspective of the English language. Also representatives from IBM and Bell & Howell visited the Senior English classes to aid in the students future career planning. An impromptu visit was made to the school by the channel five newsteam, and the Senior English Honors class was videotaped for television. In the regular course of study the mandatory offerings emphasize the functional use of language and communication skills, writing and various forms of literature. At the end of the Senior year many awards are given to distinguished graduates in English related projects. Chairperson Clara Roth

Business education training has resulted in employment for many thousands of Barringer graduates. Students are trained for entry jobs such as secretaries, bookkeeping, typists, and clerks. Young people also learn to cope in society and in their own home by becoming familiar with real life situations: keeping a check-book, buying insurance, keeping a budget, and filling out income tax returns etc. While the department prepares students to succeed and advance in business, the outstanding students are encouraged to go on to college and pursue professional careers in accounting, computer programming and teaching business education. In order to be technologically literate in today's world, the high school graduate must have a basic understanding of Science. Barringer is the only senior high school in Newark in which the Science Department includes Electricity and Electronics among its courses. The Science Department also offers Barringer students a wide selection of both college and non-college bound courses. The honors Integrated Science program offers a two year unified study of Chemistry and Physics with a unique team teaching approach. Chairman Louis Dultz

What has man really achieved in his evolution through the centuries? This is one of the vital issues our social studies classes consider each day. Students learn to think, to interpret, and to apply knowledge to the solution of everyday human problems.

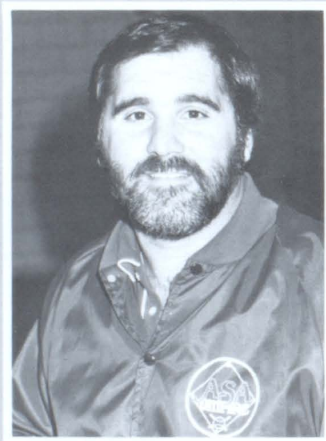

The curriculum offers Law in Action, Psychology, Sociology, and Labor Studies to prepare students to be aware as citizens and to be more active. Chairman Louis Maralakos

Physical fitness seems to be an increasing concern in America today. Our Physical Education Department offers courses and activities that motivate Barringer students to pursue a higher degree of fitness. Through sports such as Volleyball, Basketball, and track, the participants develop their skill and bodies. Aparatus techniques and exercise routines are employed to maintain strength, improve coordination, and encourage social interaction. The department also offers a variety of health education courses to prepare the student for a stable, rewarding, family and community life. Chairman-Frank Verducci

Foreign Language

The study of modern foreign languages is vital to communication in a shrinking world. An asset in many ways: business, industry, commerce, civil service, education, law, media, science and many more jobs. At Barringer the Foreign Language Department aids the student in the progressive ability to speak, read, express, and ultimately to comprehend and enjoy a second language. The geographical, political, and cultural aspects of the foreign nation are studied as well as its contributions to Western civilization. Chairman: Dr. John Gianini

A multi-media center, a study hall, a meeting place, an instructional area, the Barringer library has become all of these. Through systematic selection of books, pamphlets, records and magazines the librarians have accumulated collections of materials most beneficial to students interested in programs of study. Though our library staff is small, considering the size of the total area, they are accomplished individuals.

To become successful employees, homemakers, and parents and to learn techniques in consumer awareness, Barringer students can elect a course in Home Economics. The cooperative Home Economics work study program prepares students to be successful through job training and actual part time employment. Food and clothing classes develop the students homemaker skills. There is also a course titled Early Childhood Education where students actually work with young children in a room decorated and furnished like a nursery school.

Industrial Arts

Music

Music is an important part of a high school students life. The Music Department offers courses such as Music Foundations and General Music to those who seek a general knowledge of music. Specialized courses and activities such as Orchestra, Marching Band, Latin Band, Chorus, and instrumental lessons are offered to those who desire a deeper understanding of the music world.

The creative approach is the direction the Art Department follows in relating the subject of Art to the realities of life. Art foundations, Art Survey, General Art, and Studio Art comprise the course offerings. These courses are designed to encourage awareness of esthetic values; to explore various art media and materials; and to develop the creative potential of each individual. Many senior Art students graduate from Art school to become Commercial Artists, professional photographers or art instructors.

Special education is generally accepted to mean education designed for, and available to, exceptional individuals (handicapped and gifted) whose educational needs are different in part from those of the most of their peers. Children and youth in need of special education are not limited to specific categories. Rather, they include all those who require unusual curricular or instructional adjustment throughout their school career or some significant portion of it. Barringer's special education is built on the concept of understanding unusual differences among the school-age population and meeting individual needs.

Dedicated To The Memory Of Cornelius Colquit

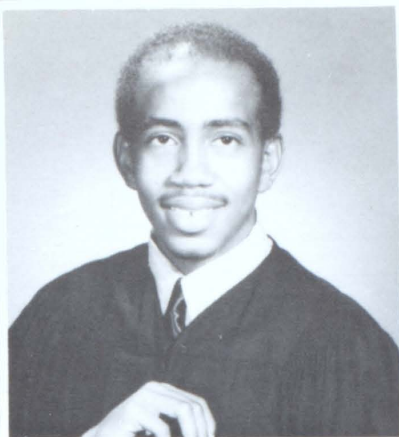

HARD TIMES
By Lawrence Walsh

In times of sorrow
When everything goes wrong
Lift up your head and sing a song
A song of love in all its splendor
To make your life so sweet and tender.

In times of rejection
When no one cares
Remember that friend, who was always
there

A friend you knew and loved so dear
Because such a friend was there to share
Your ups and downs and hidden fears.

So in times of hopelessness
When the whole world turns its back on
you
Don't despair or be blue
Just think of that friend who helped you
through.

The Senior Class sponsored a disco at Fullman's Inn in Irvington, NJ. The disco was held on November 6, 1983, and tickets were sold for two dollars in advance and three dollars at the door. It was not only successful because of the large turnout, but the "party" also brought a good deal of money into the Senior Class Kitty. The Inn was a colorful environment for Barringer students to display their unique dancing skills.

Meet The Top Ten . . .

Name: Maurice Giles
 Birthdate: September 1, 1966
 Birth Sign: Virgo
 School Activities: Drama club, French club, Math club, Newspaper, club, Orchestra, Essex County College Upward Bound.
 College: Cornell University, Temple University, or Columbia University.
 Hobbies: Dancing, Painting, Writing, Understanding
 Career: Doctor of Medicine

Maurice is a very extroverted individual. He believes in truth, honesty, and creativity. At Barringer he has experienced many rewarding and disturbing incidents which have helped him grow physically, mentally, socially and emotionally. Barringer has taught him not to exclude his friends problems, but help them solve their problems. He feels he has learned from their problems to become victorious over his own. He believes the relationship he has had with his many special teachers has given him an insight that will help him become a successful and giving individual in the future.

For many years The Big Blue Bears were known for an outstanding band. This year the band was lead by Mr. Nelson White who recently transferred from Weequahic High School. He did a fine job of replacing someone we always considered unreplacable: Mr. Michael Daniels. Mr. "D" is now the Dept. Chairman at Weequahic. Under Mr. White's tutelage, The Band, in spite of all typical problems expected when a new leader takes control, finished the year strongly. Mr. Richard Berggren also contributed by teaching new skills to some of the members. We Wish Mr. White a successful future here, and we know he will continue to maintain THE BLUE BEARS fine reputation.

Orchestra

When people attend Barringer graduation ceremonies, the school play, the Winter or Spring concerts they are entertained by a seemingly unknown group of hard working musicians. The Orchestra members spend many hours after school rehearsing for the various school functions, and a few even pursue a career from their musical endeavors.

The Barringer Chorus, under the guidance of Ms. Bea Braddock, is a very talented group of students who perform in different areas of the city. The Chorus consists of 30 to 40 beautiful voices who put in many hours of work to achieve nothing but the best. Performing with this group is an earned privilege, not a right inherent in having chorus as a class. While performing with Ms. Braddock and the chorus, the participant is no longer an individual, but a part of an organization known and respected city wide for its consistency in delivering high quality performances. The Chorus performed at the Symphony Hall,, Hilton Gateway and are planning performances in other places.

Flag Twirlers

L to R: Adrienne Mathews, Angel Lewis, Fatina Kimberly, Lisa Eagle, Velina Macon.

The Flag Squad adds color to the Marching Routine. This years Flag Squad consists of 5 members. All the hard working young ladies in this group were chosen by tryouts. The Squad is an important part of the Marching Band as it helps to create color and movement in the Marching Routine.

Twirlers

Christine Arrington, Lisa Rollins, Phyllis Thomas, Capt. Mary Peterson, Dorothea Reed, Deatre Williams.

Twirling is an important activity that is often overlooked and taken for granted. Most people don't realize the requirements that are involved. It takes skill, enthusiasm, cooperation and most of all many hours of practicing routines. Working closely as a team gave each member a sense of personal as well as cooperative satisfaction. The Twirlers along with the color guards, the Cheerleaders, the Flag Wavers, and Marching Band promoted a great deal of enthusiasm and provided memorable entertainment during the 83 season.

Upward Bound

The Upward Bound program is designed to prepare high school students for college life. Essex County College, Seton Hall University, Bloomfield College, Stevens Institute of Technology and New Jersey Institute of Technology are some of the colleges that offer an Upward Bound program. Participating students attend classes once a week at the sponsoring school. They also visit other colleges and attend recreational, and cultural activities.

SPORTS

Football

Punter Matt Jones shows good form.

When a new coach gains control of a sport it usually takes a number of years before the team becomes a winner. Such is the case with Barringers Football team. Under the leadership of coach Sol Johnson the team experienced a disappointing season. In an attempt to rebuild the squad that was once considered Newark's best, Mr. Leon Grove the assistant coach, and Mr. Johnson have manipulated the positions and plays in their quest for successful future teams. This year Barringer recorded victories over East Side and Shabazz, and finished the year with a 2-5-1 record. Outstanding Senior players were Jeff Bouie, Kenny Williams, Perry Gibson, and Johnny Faulkner.

After a five year absence, Barringer High School finally fielded a soccer team. In his rookie season Mr. A. Molinaro coached a very impressive team. He put together a high scoring team that at one point outscored it's opponent 19-0. The team played 4 power house teams in the state: Columbia, Scotch Plains, Vailsburg, and East Side. Barringer finished the year with a record of 5-5-1, considered a very successful season for a first year squad. Leading scorers for the Blue Bears were Garfield Lettman and Gino Rodriguez. Other Seniors were Miguel Picon and Ambrose Halstead.

This year under coach Hill the Lady Bears tried to regain what they once owned "The City Title". Led by team captains Kim Abadia, and Tawanna Griffin, the lady bears played every game with a winning attitude, which earned them respect from the tough city league. The high scorers were Tawanna Griffin with 255 points and Kim Abadia scoring 220 points. Top rebounders were Linda Brown and Alicea Bay. Coach: Mrs. Margarita Hill

Coach Douglas applauds team play.

The Junior Varsity Basketball team had a very successful year. Under the coaching of Mr. William H. Douglas the team recorded 9 wins and 3 losses in city competition and ended up sharing the city championship with Central H.S. Barringers. Season record was 13 wins, 9 losses in both city and state contests.

The team captains were Lynn Smith, and Eddie Williams, and the big guns for Barringer were Ronald Twitty and Edward Williams. Twitty, averaging 15 points per game, emerged as the M.V.P. and high scorer. He also shared rebounding skills with Edward Williams. The advancing of the players into Varsity competition will make next years Senior circuit Basketball team a force to be reckoned with.

Baseball 83-84

This years Big Blue Baseball team worked hard to improve on last years record 7 wins 7 loss record. Although the team was a young squad consisting of many 11th graders, they worked hard to improve their pitching and develop a strong defense. This years captains were Dave Serrano and Wayne Gabriel. Coach Anthony Molinaro.

Tennis

Although it appears to be a sport in which the individual excells, Tennis is also a team sport. Finishing second in the city last year behind East Side, Barringers Tennis Coach Ms. Hill is determined to do better this season. The team included five seniors with Captain Efrain Soto at the helm.

Seniors Standing Efrain Soto, Hugo Fierro, Tony Horton, Lawrence Walsh, Damaris Centino, Stephanie Patrick.

Track "84"

Track is a sport which demands discipline and determination from the individual.

Although it appears to be very individualistic it is also a team sport.

This years track team began with a group of young and inexperienced people and quickly developed into a capable crew of athletes. Coach: Leon Grove

Five Medals To Alpine Skiers

By JOHN TAGLIABUE

Special to The New York Times

SARAJEVO, Yugoslavia, Feb. 20 — It was Sunday afternoon and Phil and Steve Mahre had just completed a one-two sweep of the men's slalom race.

A radio reporter, thrusting a mike toward Phil Mahre, boomed, "How does it feel to be the first American to win an Alpine event?"

Leaning heavily on his skis, Phil glanced back, and with immense patience replied, "Bill Johnson was the first, on Thursday."

The confusion was nearly excusable. Only three days before the Mahres' display of skiing grace, Bill Johnson, a newcomer from Van Nuys, Calif., had done what no American man had ever accomplished by winning the men's downhill race, the crown jewel of the Alpine program, which also includes the slalom and giant slalom.

With the exception of four games in
Alaska last August against the Soviet

played the bulk of their games in the
United States, before large, friendly
crowds. It was as if the spirit of 1980
had been rekindled.

Graduation

*Graduating is stimulating and
Sometimes aggravating*

*You have attended school for twelve years
And now your about
to reach your greatest fears!*

*Years of sorrow and joy in time
Tell you, "Leave behind your playful mind."*

*Be happy not sad because we have obtained
the ultimate wedge
What Mrs. Bagby alway's knew we could
have, Knowledge!*

By Jerry Davis

S.E.N.I.O.R.

*S. stands for successfully completing eleven years
E. is for the effort we gave
N. Never turning back
I. insisting on being the best
O. is for the many options we have
R. is for reaching our goals what ever they may be.*

By Pamela Rena Penn

Vision of Beauty

*In the sky thou hath seen
A bird that flies, like a vision from a dream
On its wings, so gracefully spread
Colors of blue, yellow and red*

*Around the clouds, it goes with such grace
Flapping its wings at a heavenly pace
Making its way through the sky
Blessing the earth as it goes by*

*In the sky thou hath seen
A vision that came from my dream
So pure and pleasant it was to see
That vision of beauty that came to me.*

By Lawrence Walsh

Do You Remember . . .

*Do you remember the times your head
started to resolve, because of the one
problem you could not solve.*

*Do you remember going from day to day and
all the new friends you made along the way.*

*Do you remember studying so hard hoping
you would receive a good report card.*

*All of these may have seemed to be a bore
but it all paid off on June 21, 1984.*

"School Memories"

Barringer High School,
the school we love.
We'll treasure you always,
in our hearts.
Cause graduation is here,
its time to lead our lives.
We'll forget the bad days,
and remember the good times.
We'll say good-by to our teachers,
also to our friends.
Praying that tomorrow,
we see each other again.
We honor you Barringer,
knowing times were tough.
We'll remember you always,
and we'll be in touch.

Angel Luis Velez

I am me

I am me
Do not try to change me, because I
will always be me.
Do not criticize me, only accept me
for being me.
Do not doubt me, just believe in me.
No matter what you say or what you
do I will always be me!

By Pamela Rena Penn

"Never Again"

Never again shall we pass this way,
So let's enjoy each hour, each day.
Facing life and being unafraid,
Treasuring the memory of great
friends we've made.

Never again to meet face to face,
In the old accustomed place.
Never to see that tender smile,
Helping to make life worth while.

Never again permitted to share,
Such precious moments all so rare.
Never again to do a good deed,
For someone who was greatly in need.

Never to see the glorious dawn,
Heralding the coming of the beautiful morn.
Never to sit and watch the setting sun,
After the day's work has been done.

So let us do the best we can,
Dealing honestly with our fellowman.
Casting evil deeds aside,
Letting love in our hearts abide.

Keep doing our good deeds each day,
Storing treasure in heaven while we may.
To serve us in good stead on judgement day.
For never again shall we pass this way.

Lawrence Welsh

Hard times

In times of Sorrow
When everything goes wrong
Lift up your head and sing a song
A song of love in all its splendor
To make your life so sweet and tender.

In times of rejection
When no one cares
Seek a friend, who's always there
A friend to know and love so dear
Because such a friend is there to share
Your ups and downs and hidden years

So in time of hopelessness
When the whole world turns its back on you
Don't despair, or be blue
Because someone is there to help you through

Junior Class Disco

The graduating class of 1985 sponsored a Disco at the Newark YMCA on Fri. Feb. 24th 1984, from 8-11:30 p.m. A contest had been held previously to select a king and queen. Participants voted for the candidate of their choice by donating \$.25 for each vote. The lucky young man and lady with the most votes became the Sweetheart King and Queen. Mrs. Shirley Grundy is the class advisor.

THE FLAG OF THE UNITED STATES OF AMERICA

This is to certify that the accompanying flag was flown over the United States Capitol on June 30, 1983, at the request of the Honorable Peter W. Rodino, Jr., Member of Congress.

This flag was flown for the Barringer High School.

The Barringer Flag

Many Newark residents do not know the historical significance of our school. Barringer High School, once called Newark High was the first secondary school established in New Jersey and the third high school in the country. To high light our schools tradition, Vice Principal Mr. DiChiara, and our principal Mrs. Bagby, made an effort to secure a significant symbol that we as students, faculty, and alumni could be proud of. Therefore Mr. DiChiara procured a flag that, thanks to the assistance of Congressman Peter Rodino, was flown over the united States Capitol on June 30, 1983 and that now waves in the air above the Big Blue. What other memorable symbol would best epitomize the success of a school so deep in everlasting tradition?

George M. White, FAIA
Architect of the Capitol

Mr. Robert Williams School Custodian, Mrs. Marie Bagby and Mr. Clarence DiChiara, raising our memorable flag over Barringer.

Alma Mater

*Over Many A City Old
Famed In Song And Story
Temple Grey And Castle Hold
Catch The Sunset Glory.
So Our Alma Mater Proud
Looks Over Vale And Meadow,
High Between The Sailing Cloud
And Its Drifting Shadow.
For Her Colors, First The Blue
Of The April Valley;
Then Decembers Wintry Hue
When The Storm Winds Rally
Newark High Thy Fame We Raise
Many Voices Blending;
Through The Years We Pledge Thee Praise
Loyal To Lifes Ending.*
